Dear Mr. HASBROUCK:

We didn't receive a reply to our earlier letter. That means that you're still on our list of men who haven't registered with the Selective Service System. It also means you could be breaking the law. Willful failure to register can result in imprisonment and/or \$10,000 in fines. Dcn't let this happen to you.

Fill out the enclosed form and mail it to us within 15 days and we'll remove your name from our list.

Sincerely,

THOMAS K. TURNAGE
Director
